RE: Senate Bill 1037

Dear Representative Gilbert:

The purpose of this letter is to express my strong support for Senate Bill 1037. As a commercial property investor and property manager of several office buildings and shopping centers in Southeast Michigan my business will continue to be adversely affected if the corrections and amendments set forth in Senate Bill 1037 regarding investment tax credits and their subsequent premature expiration are not adopted. Your support for the immediate passage of Senate Bill 1037 is requested.

If you would like to discuss this letter further please do not hesitate to contact me.

Very truly yours,

Charles J. Laurencelle  
President
